Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Notice of Missing Parts of Application dated May 24, 2001, forwarded with the Cover Letter for Resending Correspondence mailed October 10, 2001, submitted herewith are the following documents for filing in the above-referenced application:

1. Declaration and Power of Attorney (which is in compliance with 37 CFR 1.63)
2. Statutory Basic filing fee of \$710.00
3. Late Filing Fee Surcharge of \$130.00
4. Assignment
5. Petition for Extension of Time*

This application was filed on March 8, 2001 and since no communication had been received, a Status Inquiry and Request for Filing Receipt were filed on September 10, 2001.

Thereafter we received the Cover Letter of October 10 with the Missing Parts attached. **It is respectfully submitted that the Notice of Missing Parts dated May 24, 2001 was never previously received in our office** and therefore never processed within our docketing system.

We conducted a thorough search of all of our docketing systems to determine if the Notice of Missing Parts was received. None of the dockets indicated that the Missing Parts Notice was received. Enclosed are copies of the automated docket of our Docketing Department and also copies of the pages from the Docket Book of our Applications Department for the due date of July 24, 2001. The present application does not appear on either docket record listing. **Each of these docket entries evidence that the Notice of Missing Parts was not previously received in our office.**

It is hereby confirmed that the docketing department dockets include and list all cases which were due to the USPTO on July 24 by representative's firm on said date. The applications department record lists all cases which were due to the USPTO on July 24 that were to be filed by the applications department (which includes all firm responses due to Missing Parts Notices).

Applicants maintain that they never previously received the Notice to File Missing Parts dated May 24, 2001. A search was made of the file jacket of the application, and no copy of the Notice to File Missing Parts was found, indicating that no copy was ever received by Applicants' attorney at McDermott, Will & Emery.

Since we had not received any Missing Parts Notice, on September 10, 2001 we filed the Status Request and Request for Filing Receipt.

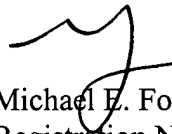

In response to the Notice of Missing Parts, attached hereto is the executed Declaration and Assignment documents.

***Accordingly, it is respectfully requested that the three month extension of time be waived, since the Missing Parts Notice was not received in our office until forwarded with the Cover Letter dated October 20, 2001.**

Please charge Deposit Account No. 500417 in the amount of \$840.00. To the extent necessary, Applicants petition for an extension of time under 37 C.F.R. 1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
